**Subject:** Richard Greene and Kendra going to Liberia March 3-5

Hi Jonna,

Just an FYI that Jim just received info from the mission that Richard Greene and Kendra will be visiting Monrovia March 3-5 and will be meeting with EPT partners. I don't have details of meetings or an itinerary other than an FAO-led animal lab visit Monday, but will pass on more info as it comes from the mission.

Jim will be available during those days for any meetings that come up.

Cheers,  
Jon
